

EMBOLD HEALTH

Helping you find the right doctor. The first time.

WHO IS EMBOLD HEALTH?

Embold Health connects people to high-quality doctors using advanced data analytics. We provide your members with **actionable, objective metrics on physician quality** to make smart healthcare decisions.

528,000

Evaluated healthcare providers nationwide.

68

Searchable specialties and clinical focus areas.

200 Million

Lives covered in a closed claims national dataset.

5 Million

Members using tools across 20+ clients.

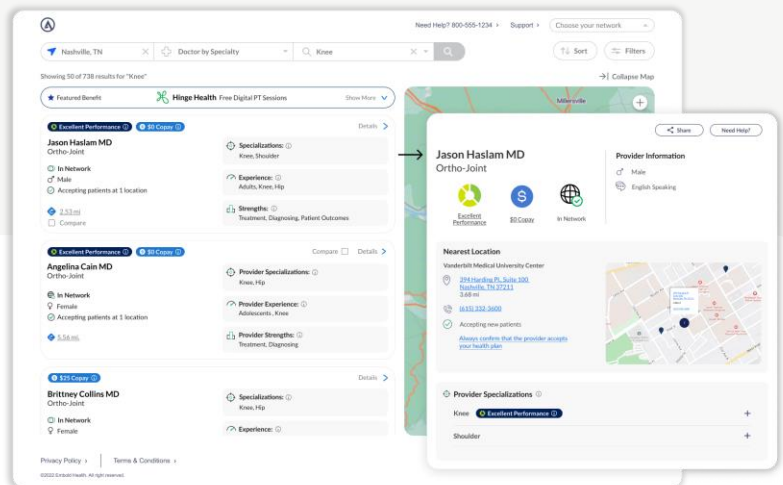

WHY EMBOLD?

OUR DATA:

- Is clinically-validated, peer-reviewed, independent, and risk-adjusted.
- Uses longitudinal closed claims to follow the patient's entire healthcare journey.

OUR SOLUTIONS:

- Save costs by reducing waste and improving healthcare quality.
- Increase member engagement and usage of existing benefit solutions.

Members who use Embold tools are

40%

more likely to select **high-quality doctors** and avoid low-quality ones.

Better outcomes, real savings.

Visit www.emboldhealth.com to see how high-quality care can help your team.
